

LEO Foundation Award 2024 Region Americas

USD 100,000

For outstanding young skin researchers

LEO Foundation Awards **recognize outstanding young researchers and scientists from around the world** whose work represents an extraordinary contribution to skin research and has the potential to pave the way for new and improved treatments for skin diseases.

The award is announced in open competition, one award in each of the three regions: Americas, EMEA (Europe, Middle East, Africa) and Asia-Pacific. Each award is worth USD 100,000.

The self-nomination deadline for Region Americas is 9 January 2024. The award will be presented during the annual Society for Investigative Dermatology (SID) meeting in Texas 15-18 May 2024.

How to apply: Please find guidance about the application process, requirements, eligibility and meet LEO Foundation Awardees at www.leo-foundation.org/en/grants-and-awards (or scan the QR code below).

Other funding opportunities: Research grants in open competition (Round 1), application deadline: 8 January 2024. To support the best dermatology research projects worldwide.
